Location

Welwyn Garden City was the brainchild of Sir Ebenezer Howard who wanted to see attractive well laid out residential areas close to shopping facilities and other amenities. There are tree-lined boulevards and roads with grass verges and a particular style of architecture with a neo-Georgian town centre. Stanborough Park is the largest park in Welwyn Garden City and indeed Hertfordshire. Its main feature is two lakes which are widely used for watersports but also good for walking.

Further afield

Welwyn Garden City has good communications being close to the A1(M) and the A414. The railway station is close to the town centre with regular services to London Kings Cross. Hertford (9 miles) Hatfield (2 miles) Wheathampstead (4 miles) and Ware about eleven miles are all within easy driving distance.

Central London is about 20 miles. Stansted Airport is 20 miles and Luton Airport 15 miles. There are four golf courses in the immediate area.
